

Do the out of control costs of college concern you for your child's future?

*The projected cost of a four year college education by 2020:
Over \$150,000 for public schools and over \$250,000 for private schools*

The El Dorado Virtual Academy Can Help!

- * Complete up to 10 college courses for free while still in high school (Potential college savings of over \$50,000!)
 - * Earn high school weighted GPA credit while also earning transferable college credit!
- * Virtual Academy students have access to their home school's athletic, music, and other specialized programs!
 - * Learn in a small, respectful, personalized learning environment!
 - * Attend daily or as little as twice per week—Transportation Available!
